MEET OUR INSTRUCTORS

FULL-TIME

Olivia Dowdle, BSN RN holds a New York state license, RN-BSN from Nazareth College.

PART-TIME:

Barbie Jo Grey is the CiTi welding instructor. Barbie is a 2001 graduate of the secondary Welding Technology program. She worked as a teaching assistant in the secondary welding program for a number of years before becoming a Welding instructor at CiTi, as well as working at Phoenix Welding. Barbie is a certified American Welding Society (AWS) welder, inspector and trainer. She is pursuing a teaching degree from the State University of New York at Oswego.

Scott Malone is also a graduate of CiTi's secondary Welding Technology program. He has 30+ years of experience and is a certified pipe and structural welder. Scott has been an American Welding Society Certified Weld Inspector since 2004.

Nick Marshall is a 2005 B. Ramer Tech Graduate of the Heavy Equipment Repair and Operations program. He went on to get his Associates Degree from Alfred State college in Automotive Trades: Heavy Equipment, Truck, and Diesel Repair. He founded his own trucking company in 2008, then joined the CiTi Team in 2020. Nick teaches Heavy Equipment Repair and Operation, Heavy Equipment Maintenance and Operation, CDL-A and CDL-B.

Elizabeth Rice, MSN is the Health Occupations Coordinator at CiTi. Ms. Rice earned her Bachelor of Science degree in Nursing from Utica College and holds a New York state RN license. She completed her Masters in Nursing Education at SUNY Polytechnic College. Elizabeth has been the Health Occupations Coordinator since 2014. In addition to her supervisory role, she also teaches Infection Control and CPR and is a clinical instructor in both the Practical Nursing and Nurse Assisting programs. Her nursing specialty is emergency medicine.

Timber Steele, BSN RN holds a New York state license, RN from St. Joseph College of Nursing and BSN from Lemoyne College.

Brittany Watts, NRCMA, NRCPT, NRCEKG is a graduate of the CiTi Medical Assisting program. She also holds a certification as a telemetry technician. Ms. Watts has four years experience in the field and this is her second year teaching in the CiTi Medical Assisting program.

Michelle Yablonski, RN is the Coordinator and Lead Instructor for the Home Health Aide program. She earned her degree from Cayuga Community College.

IMPORTANT INFORMATION

ADMISSION POLICY

The program will comply with the state, federal and local labor laws. It shall be the policy of CiTi to provide equal opportunities for all persons affected by the myriad operations of CiTi without regard to age, race, sex, marital status, disability, creed, religion, political affiliation or national origin.

1. Admission into all classes is subject to acceptance and space availability. Students are encouraged to apply early. Once a class is filled, applicants are placed on a waiting list. A minimum number of students must be enrolled for classes to occur.
2. Applicants should understand that not everyone is accepted into the program. A final decision on selection will be made after the candidate completes all of the application steps.
3. The complete application steps, as well as admissions requirements, are outlined in program application packets.
4. Candidates must participate in an admissions interview. The goal of the interview is to help ensure that the candidate can and will be successful in the program.
5. All candidates will receive a letter indicating whether or not they are being accepted into the program.

TRANSFER POLICY

Internal transfer of credit: CiTi programs each have a specific curriculum designed to ready the student to become an integral part of the workforce. The specificity of these individual curricula will not allow transfer of credit from one program to another.

Transfer of external credit: Transfer of credit from another institution to a CiTi program is not allowable.

Transfer credit policies for students coming into the Practical Nursing program from an Accredited RN program: Transfer credits are no longer accepted. Program curriculum and hours vary in each nursing program, therefore transfer of credit is prohibited.

Returning Students

Students who were previously unsuccessful or terminated may be allowed to return to the program once and if space allows. Returning students are not guaranteed a position in the following year's program. Students must

submit a letter to the Health Occupation coordinator or CTE coordinator detailing why they were unsuccessful as well as an action plan going forward outlining how they will be successful in the program.

CODE OF CONDUCT

CiTi is committed to providing a safe and orderly school environment where students may receive, and CiTi personnel may deliver, quality educational services without disruption or interference. Responsible behavior by students, teachers, other CiTi personnel, parents/guardians and visitors is essential to achieving this goal. A full version of our code of conduct is included in our student handbook available on our website.

WITHDRAWAL OR DISMISSAL

Withdrawal

It sometimes becomes necessary for a student to withdraw from a program, due to an extenuating circumstance arising from medical, personal, financial or other acceptable reason. Withdrawing students will be responsible for program costs and are subject to the Tuition Refund Policy and Return to Title IV Policy outlined in the Center for Instruction, Technology & Innovation Student Handbook. Students wishing to withdraw must complete the following steps:

1. Notification of withdrawal must be submitted to the Student Services Office either by email, mail, in person or by phone. An unofficial withdrawal refers to a student who fails to attend or ceases to attend classes without notification. The withdrawal determination date for students who do not officially withdraw will be recorded as the last date of an academically related activity in which the student participated.
2. Meet with the case manager and/or program coordinator to discuss options. There may be solutions available that do not require leaving the program.
3. Meet with the Financial Aid Office to determine financial obligations, regulations and deadlines.

Dismissal

A student may be dismissed from a training program for academic, attendance, safety, disciplinary or other reason deemed appropriate by the school, in accordance with the Center for Instruction, Technology & Innovation Student Handbook. Dismissed students will be responsible for program costs as previously defined.

REFUND AND PAYMENT POLICY

Program costs are due at the beginning of each new program unless other arrangements have been made. These may include a payment plan, approved agency funding, or approved Title IV Federally Funded Loans. Program costs must be paid in full prior to the end date of the program.

- 1) Refunds, when due, will be made without requiring a request from the student.
- 2) Refunds, when due, will be made within 30 days of (1) the last date of attendance if written notification has been provided to CiTi by the student, or (2) from the date the CiTi terminates the student's enrollment in the program or determines withdrawal by the student.
- 3) In the event a program has to be cancelled by CiTi prior to the program's start date, students will be refunded 100% of any associated tuitions or fees. In these instances, refunds shall be issued to students within 30 days of the planned start date for the program.
- 4) Students that withdraw on or before the first day of class will receive a refund of any tuition paid; the institution will only retain application fees (not to exceed \$100). Appropriate refunds for a student who does not begin classes shall be made within 30 days of the class start date.
- 5) Students who have not visited the facility prior to enrollment will have the opportunity to withdraw without penalty (without incurring tuition charges) within three days following either attendance at a regularly scheduled orientation or following a tour of the facilities and inspection of the equipment.

Only tuition is eligible to be refunded. The cost of books, uniforms and other miscellaneous items, are non refundable. Tuition refund checks may take up to 30 days to process. CiTi is compliant with the Veterans Refund Policy, as well as all policies as set forth in Veterans Administration Circular 22-79-6, dated March 8, 1979, on file in the school office.

TYPES OF AID DESCRIPTIONS

Pell Grants

Eligible Programs: Medical Assisting, Practical Nursing

Pell Grants are based on individual need as determined by the United States Department of Education, based on an annual congressionally-approved formula, which is applied consistently to all applicants. The formula uses the information provided on a Free Application for Federal Student Aid (FAFSA) financial aid form. The total cost of attending the program, for full-time enrollment status, will determine the actual amount of a Pell Grant. Pell Grants must be applied for each academic year. Students attending within one academic year (July through June) submit one application. Students attending over more than one academic year (January through December) submit two applications. There is no repayment required for a Pell Grant unless a student drops from the program and has been overpaid. Students may apply online at www.studentaid.gov. Electronic signatures with which to sign the online application may be obtained at www.pin.ed.gov. The school code is 012783 (Oswego County BOCES Adult Careers Center).

Direct Student Loans/Parent Loans

Eligible Programs: Medical Assisting, Practical Nursing

CiTi participates in the Direct Subsidized Stafford, Unsubsidized Stafford and Parent Loans for Undergraduate Students (PLUS) programs. The school and the U.S. Department of Education, in compliance with Title IV regulations, determine eligibility. A student must be enrolled in at least one-half of the full-time program hours to be eligible for the loans. A student must complete a FAFSA and have a valid Institutional Student Information Record (ISIR) that establishes Pell Grant eligibility before applying for a loan. Maximum amounts per year are \$5,500 for dependent students and \$9,500 for independent students. Through a PLUS loan, parents may borrow up to the cost of attendance less other financial aid for dependent students. Students/parents may apply for loans prior to enrollment or any time throughout the program. Students and/or parents who are interested in loans must sign a master promissory note online at www.studentaid.gov. Students must also complete entrance and exit counseling and informed borrowing requirements on www.studentaid.gov.

CiTi Payment Plans

With the approval of the financial aid advisor, students may enter into a payment plan via a payment contract. The contract evenly spreads the cost over the length of the program. There are no fees associated with the payment contract. The contract must be signed and returned prior to the course start date. All payments will be made to CiTi with acceptable forms of payment being cash, a cashier's check or money order, or MasterCard or VISA. Any payment received after the established due date may result in late fees or termination from the course.

Private Student Loans

Alternative student loans are provided by private lenders, such as banks. Before you take out a private loan, be sure that you have fully explored all federal funding options. Alternative loans often require a credit check and may require a co-signer. Depending on the outcome of your credit check, these loans tend to be more expensive. Alternative student loans may be used to fill the gap between your federal aid and your Cost of Attendance. Alternative loans are an option if federal aid is unavailable to you. www.finaid.org/loans/privatestudentloans.phtml

ACCES-VR

Financial assistance is available through the Adult Career and Continuing Education Services – Vocational Rehabilitation (ACCES-VR) Office. ACCES-VR provides vocational counseling and rehabilitation services that result in successful employment outcomes for individuals with disabilities and their employers. Contact 1-800-782-6164. Applies to most programs. www.acces.nysed.gov/vr

AmeriCorps Education Award

After successfully completing your AmeriCorps term of service, you are eligible to receive the Segal AmeriCorps Education Award. You can use the award to repay qualified student loans and to pay current educational expenses at eligible institutions of higher education and training programs. You can access the award in full or in part until the total amount is used or until the award expires. The award expires seven years from the date it is earned.

Oswego County Workforce NY Career Center provides assistance with job search skills, coordination of funding for education and more.

RETURN OF TITLE IV AID

Federal regulations governing the use of Title IV funds (student loans and Pell Grants) dictate how much of this type of aid a student has "earned" for the period of time attended. Any "unearned" Title IV funds must be returned to the Title IV program (i.e. loan program or Pell grant program). The amount of Title IV funds earned may not fully cover the institutional charges for the period of enrollment. In fact, the determination of the amount of Title IV funds that a student has earned has no relationship to a student's actual institutional costs. A student needs to be aware that if they drop from a program, Title IV funds may have to be returned if they have not been "earned" and the student may owe the school money as a result of no longer having access to those funds. A student must pay the school the money owed for charges that are not covered by Title IV funds because the funds had to be returned. Funds are returned to the Title IV programs in the following order: 1) Direct Unsubsidized Loans, 2) Direct Subsidized Loans, 3) Direct PLUS Loans, and 4) Federal Pell Grants.

OFFICE OF ACCESSIBILITY RESOURCES

Federal laws, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990 protect qualified individuals with disabilities from discrimination on the basis of disability and guarantee equal opportunity for access to programs and services. CiTi complies with all applicable federal, state and local laws and regulations regarding reasonable and appropriate services and accommodations for students with documented disabilities. Accommodations and services accessed through the Office of Accessibility Resources may include but are not limited to: interpreters, note takers, time extensions for tests, alternative test sites, technology to assist reading and writing, magnification devices, and physical accommodations, such as special classroom seating or architectural accessibility. Services and accommodations for all students with disabilities are coordinated through the Office of Accessibility Resources, located within the Center for Academic Success. In order for CiTi to provide appropriate and timely services and accommodations, students with disabilities must provide current and complete documentation as early as possible. Students with sponsoring agencies, such as Adult Career and Continuing Education Services-Vocational Rehabilitation (ACCES-VR), Aurora, or the Commission for the Blind and Visually Handicapped (CBVH), should contact the agency several weeks before the start of classes to make sure that all necessary paperwork is completed.

VA PENDING PAYMENT COMPLIANCE

In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill® (Ch. 33) or Vocational Rehabilitation and Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not:

- Prevent nor delay the student's enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources available to other students who have satisfied their tuition and fee bills to the institution, including but not limited to access to classes, libraries or other institutional facilities.

However, to qualify for this provision, such students may be required to:

- Produce the Certificate of Eligibility by the first day of class;
- Provide written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies.
