In one month of New Vision Allied Health, I've learned not only how to be a better student, but to be a better person. My academic ability, time management, and people skills have improved drastically."

- Allied Health Student Kyle Kon

New Vision will allow me to better prepare myself for college, my career, and any decision making through the many life skills I have and will learn. I will never forget the experiences and memories made this far from my participation in the program."

- Specialized Careers Student Kaitlyn Dexter

Thanks to New Vision, not only am I ahead academically in my school, I am ahead physically. I am out on our rotations to Oswego Police Department, Senator Ritchie's office, Code Enforcement, etc. I mean, who else in my school will get to intern with our senator?"

- Specialized Careers Student Cade Reed
