

ARTS & CRAFTS

WATERCOLOR AND SALT SCIENCE AND ART EXPLORATION

ITEMS NEEDED:

Squares of watercolor paper, salt, watercolor paint, brushes

WHERE TO START?

Just go for it! Use the materials, see what happens!

THINGS TO DISCUSS:

1. Should you put the watercolor down first or the salt?
2. What if you use barely any water?
3. Why do you think it doesn't work?
4. What is happening to the salt?
5. Can the salt to draw certain colors across your pattern?
6. What color changes do you see occurring?
7. What is happening?
8. How will they look when they dry?
