**SCOPE OF WORK**

CiTi operates an alternative school at 5863 Scenic Avenue (State Route 3, North) in Mexico, New York. This is a leased property and is an open-concept commercial space with 18’ ceilings. The intent of this bid is to select a contractor to furnish and install acoustical ceiling baffles at this location to help reduce room reverberation and ambient noise levels.

CiTi worked with its architect firm, King & King, to develop a ceiling plan sketch for the baffle locations. A copy of this rendering has been included on the next page. Included with the rendering is the type of baffle and the quantity of baffles that King & King identified to meet CiTi’s acoustical needs. Please note: Where a manufacturers’ name and model is listed, it is done as a quality standard. A product offered by the bidder should be equal to or better than the specified. If an alternate is offered, the bidder must so specify and provide with their response any and all technical data regarding the alternates' quality and specifications. Alternates offered will be determined of equal value by a bid committee (inclusive of the CiTi Purchasing Officer, CiTi Facility Director and CiTi Architect). The bid committee reserves the right to determine quality and compatibility with the requirements. Please note that if the baffle model identified on the attached has been excessed or superseded, a bid for a replacement model is acceptable.

CiTi shall exercise this option by giving Contractor and/or Awarded Vendor written notice of termination. The notice shall specify the date on which termination shall become effective.

It is mutually understood and agreed that the awarded bidder shall not assign, transfer, convey, sublet, or otherwise dispose of the contract or his right, title or interest therein, or his power to execute such contract, to any other person, company, or corporation, without the previous written consent of CiTi.

**CONTRACTUAL INDEMNIFICATION AND CONTRIBUTION**

16. The Contractor hereby agrees, to the fullest extent permitted by law, to assume the entire responsibility and liability for and defense of and to pay and indemnify CiTi, its Board of Education, and its employees, agents and assigns, (hereinafter referred to collectively as "CiTi"), against any loss, cost, expense, liability or damage and will hold the CiTi harmless from and pay any loss, cost, expense, liability or damage (including, without limitation, judgments, attorney's fees, court costs and the cost of appellate proceedings,) which the CiTi incurs because of injury to or death of any person or on account of damage to property, including loss of use thereof, or any other claim arising out of, in connection with, or as a consequence of the performance of the work or services required of the Contractor under this Agreement and/or any acts or omission of the Contractor or any of its officers, directors, employees, agents, subcontractors or anyone directly or indirectly employed by the Contractor for whom it may be liable as it relates to the scope of this Agreement.

EXECUTORY CLAUSE

19. The contract shall be deemed executory only to the extent of funds appropriated and available for the purpose of the agreement, and no liability shall be incurred beyond the amount of such funds. The contract is not a general obligation of Customer or its component school districts. Neither the full faith and credit nor the taxing power of Customer or its component school districts is pledged to the payment of any amount due or to become due under the contract. It is understood that neither the contract nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make monies available for the purpose of such contract. In the event no funds or insufficient funds are appropriated and budgeted by the Customer or by its component school districts in any fiscal period for payments due under the contract, the Customer will immediately notify the awarded contractor of such occurrence. The contract shall terminate as to the Customer upon its failure to appropriate monies for the service provided pursuant to contract on the last day of period for which appropriations were received, without further liability therefore.

### Part I: Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 and must be used to backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, a foreign entity, or disregarded entity, see the instructions for Part II, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN later.

**Note:** If the account is in more than one name, see the instructions for line 1. Also see What Name and Number To Give the Requester for guidelines on whose number to enter.

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions:** You must cross out item 2 above if you have not been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN.
