10. **For Sealed Bid Submissions**: Bidders must supply signed hard copies of their completed bids in a sealed envelope marked with the name of the bidder and the bid number on the front of the envelope to the address listed in the manner specified within the Bid Documents. **Citi also strongly encourages the submission of the bid pricing (in excel format) on either a CD or flash drive along with the signed hard copies of all the required bid documents.** Please refer to the “Instructions for the Submission of the Vendor Response Sheet” for information on how to properly fill out the forms.

11. The CD or Flash Drive must be clearly labeled with the name of the bid, the bid number, and the bidder’s name.

12. All express envelopes must be clearly marked with the words “Sealed Bid Enclosed” on the front of the outside envelope. This is important in assuring that the bid is delivered properly. The sealed bid envelope must be included in the express envelope.

13. **For Electronic Bid Submissions**: Bidders must supply a signed photocopy of the bid forms and a completed vendor response sheet (in excel format) via BidNet Direct. Please refer to the “Instructions for the Submission of the Vendor Response Sheet” for information on how to properly fill out the forms.

14. The proposal as presented shall remain valid for a minimum period of sixty (60) days from the date of bid opening.

15. Bidders must insert the price per unit as specified and the price extension accordingly against each item bid. In the event of a discrepancy between the unit price and the extension, the unit price will govern. Prices shall be extended in decimals, not fractions.

16. In order to ascertain that bid items conforms to the specifications, vendors should provide the Citi with stock numbers for reference during the analysis process. If the Citi is unable to verify that the item bid conforms to the specifications through a catalog, website or cut sheets, the Citi reserves the right to reject that item bid.
17. BIDDERS PLEASE NOTE: The words "Or Equivalent" shall be considered as added to each specification, except in instances where "ONLY" or "NO SUB" is stated. CiTi reserves the right to request samples of items where an equivalent is bid. **It is the responsibility of the bidder to notify the CiTi when such substitutions are incorporated.** Please note any substitutions on the bid form. Please indicate your Catalog/Vendor Item Number in the space provided on the electronic bid form. Vendors may be required to send catalogs to the School Districts if requested.

18. A vendor’s website link to the vendor’s ‘up to date’ online catalog may be accepted. The vendor’s catalog/item number must correlate to the item being bid to verify conformity to the item specification. A bid item will not be accepted if the vendor’s catalog/item number does not provide or link to the item’s information as bid.

19. If the vendor is offering a substitute item with the same packaging as the items specified, the vendor shall provide the substitute information as well as the packaging information. **The bid software will not recognize the vendor substitute offer if the packaging information is not provided and will not evaluate the bidders pricing for that item. Failure to provide packaging information with a substituted item will result in the rejection of the bid item.**

20. The bidder shall not change or provide the bid sheets in a different format than the one provided. Any changes in the electronic format will prevent the CD or travel drive from being read by the bid evaluation software and therefore will result in the rejection of the bidders’ submittal.

21. A Conflict of Interest and Non-Collusive Bidding Certificate, and Iran Divestment Act is attached and forms a part of this bid proposal. Failure to sign these statements will constitute grounds for rejection of bid.

22. The bidder shall state the discount that will be allowed the School Districts for prompt payment. In the absence of such stated discount payment will be made approximately thirty (30) days after receipt of materials and invoice.

Any items received by the districts that expire before the conclusion of the bid contract will be returned to the vendor at the vendor’s expense and will be credited or replaced at no additional cost to the school.

32. A MATERIAL SAFETY DATA SHEET must accompany each bid item delivered containing a Chemical Substance. Failure to include these requisite data sheets will prohibit the processing of payment.

33. After receipt of an order, the vendor agrees to call the district within three working days, concerning any out of stock items, or defect in the purchase order. If a district is forced to purchase out of stock items or items not meeting specifications from another vendor, the difference must be paid by the original vendor.

34. **During the scheduled delivery times, the vendor agrees to remove all damaged cases that are visible and all products that are found damaged upon opening, or products which do not meet specifications.**

35. Pertinent information: Damaged goods not removed by the vendor, as stated, will be regarded as abandoned and the district shall have the right to dispose of them as its own property. This condition addresses the following concerns:

   a. Damaged cases discovered during and after delivery
   b. Products that do not meet specifications
   c. Storage of such items
   d. Ownership of such items

36. In any of the situations mentioned, the vendor is required to pick up damaged goods at the time of delivery, and immediately issue credit. Additionally, if the discrepancies are not noted until after receipt of the goods, the vendor agrees to pick up the items on the next delivery. In either event, if the vendor does not adhere to these terms, the district gains title to the property and needs only to maintain a record of the delivery date and the item codes to be entitled to credit.

**COVID-19 Stipulations**

37. All vendors, contractors and delivery personnel are required to follow applicable CDC guidelines when present on CiTi and school district properties including observance of social distancing (minimum of 6 feet), use of facemasks, permitting temperature screening upon request, and not having had for the past 14 days (1) symptoms of COVID-19, (2) a positive test for COVID-19 or (3) close contact with any confirmed or suspected COVID-19 cases.

38. Products and quantities listed on the bid are CiTi’s best estimate based on the projected instructional plan for CiTi and participating school districts. If CiTi or the participating school districts’ instructional plans change due to COVID-19 and/or a force majeure event, the actual quantities purchased might also change.
**Force Majeure**

39. The successful bidder shall not be held responsible for any losses resulting if the fulfillment of the terms of the contract shall be delayed or prevented by wars, acts of public enemies, strikes, fires, acts of God, or for any other acts not within control of the successful bidder and which by the exercise of reasonable diligence he/she is unable to prevent.

43. The CiTi/School District and the vendor will submit all complaints in writing to the appropriate party(s) within four (4) days of occurrence of any incident. The Bid Coordinator will maintain a file of all complaints that are submitted from both the CiTi/School District and the vendor.

44. This will be an annual bid. The bid period will be from **04-01-22 to 03-31-23**.

70. In accordance with Article 5 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional, nondiscrimination provisions, the bidder agrees that neither it nor its subcontractors shall be reason of race, creed, color, national origin, age, sex or disability; (a) discriminate in hiring against any person who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under the Agreement. CiTi does not discriminate on the basis of sex in the educational program or activities which it operates, and it is required by Title IX of the Educational Amendments of 1972 not to discriminate in such a manner. Instructions for the Submission of the Vendor Response Sheet

For sealed bid submissions AND electronic bid submissions via BidNet Direct

The Center for Instruction, Technology & Innovation (CiTi) uses electronic bid sheets as part of the Cooperative Bid process. These bid forms with the corresponding bid packets are available on the website at: www.CiTiboces.org/cooperativepurchasing

Copies of the specifications may be also obtained by contacting Amy Rhinehart, School Purchasing Officer at the Business Office of the CiTi, 179 County Route 64, Mexico, New York 13114, by calling (315) 963-4253 or emailing purchasing@CiTiboces.org.

The vendor response sheet is an excel document that shall be filled out electronically (in Excel) and submitted on a CD or travel drive (for sealed bid submissions) or uploaded to BidNet Direct (for electronic bid submissions). In addition to the vendor response sheet, each bid submission should include signed hard copies of all the required bid documents and forms. For sealed bid submissions, please include a printed version of the vendor response sheet in a sealed envelope marked with the name of the bidder and the bid number on the front of the envelope. Bid packets and forms must be submitted or uploaded by the date and time specified. Emailed or faxed responses are not acceptable.

NOTE: For sealed bid submission, the CD or Travel Drive must be clearly labeled with the name of the bid, the bid number, and the bidder’s name. CDs or Travel Drives not clearly labeled may be rejected.

Completing the Vendor Response Sheet

Bidder must insert the price per unit as specified and the price extension accordingly against each item bid. In the event of a discrepancy between the unit price and the extension, the unit price will govern. Prices shall be extended in decimals, not fractions.

An example Vendor Response Sheet is on the next page. Please refer to this sample sheet when filling out the form. Please do not use the Alternate or Notes area of the bid form to submit bid information. These areas are for BOCES use only.

Bidding an Item as Specified

<table>
<thead>
<tr>
<th>Unit Cost</th>
<th>Vendor Catalog Number</th>
</tr>
</thead>
<tbody>
<tr>
<td>N12.4</td>
<td>C35</td>
</tr>
</tbody>
</table>

If the bidder is bidding as specified (including manufacturer, color and package size) the bidder should fill in only the Unit Cost and the Vendor Catalog Number fields.

Bidding an Item Other than as Specified

<table>
<thead>
<tr>
<th>Vendor Catalog Number</th>
<th>Substitute Desc</th>

<th>Subs Unit Cost</th>
<th>Subs Qty</th>
</tr>
</thead>
<tbody>
<tr>
<td>C35</td>
<td>M</td>
<td>C4</td>
<td>N12.4</td>
<td>N11.2</td>
</tr>
</tbody>
</table>

If the vendor is offering a product in which the manufacturer’s packaging size is not the same as the packaging requested in the bid specifications, the bidder is required to fill in all substitute fields (subs). The bidder must also adjust the number of packages needed of their product to equal the actual total individual units requested in the specifications. Failure to provide substitute packaging will result in the rejection of the bid item.

If the vendor is offering a substitute item with the same packaging as the items specified, the bidder is required to fill in all substitute fields. The bid software will not recognize the vendor substitute offer if the packaging information is not provided and will not evaluate the bidders pricing for that item. Failure to provide packaging information with a substituted item will result in the rejection of the bid item.

The bidder shall not change or provide the bid sheets in a different format than the one provided. Any change in the electronic format will prevent the CD or travel drive from being read by the bid evaluation software and therefore will result in the rejection of the bidders’ submittal.

Failure to adhere to these instructions will constitute grounds for rejection of the bid.

BID PROPOSAL CERTIFICATIONS

I. General Bid or Proposal Certification
The proposer certifies that it will furnish, the prices herein quoted, the materials, equipment and/or services as proposed on this bid.

II. Non-Collusive Proposal Certification
By submission of this proposal, the proposer certifies that it is complying with Section 103-d of the General Municipal Law as follows:

Every bid or proposal hereafter made to a political subdivision of the State or any public department, agency or official thereof where competitive bidding is required by statute, rule regulation or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the bidder and affirmed by such bidder as true under the penalties of perjury:

Non-Collusion Bidding Certification

A. By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his knowledge and belief:

(1) The prices in this bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;

(2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and

(3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

B. A bid shall not be considered for award nor shall any award be made where (A), (1), (2) and (3) above have not been complied with; provided, however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where (A), (1), (2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that a bidder (a) has published price lists, rates or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph A(1).

C. Any bid hereafter made to any political subdivision of the State or any public department, agency or official thereof by a corporate bidder for work or services performed or to be performed or good sold or to be sold, where competitive bidding is required by statute, rule, regulation or local law, and where such bid contains the certification referred to in subdivision A of the section, shall be deemed to have been authorized by the Board of Directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

III. Conflict of Interest Certification

A. Each bidder must state, by signing below, that no officer of any participating school district, or any member of any related Board of Education, including the CiTi, or the specific governing body, is, as defined within the General Municipal Law provisions relating to conflicts of interest, directly or indirectly financially involved in this bid proposal.
