The submission of a bid will be construed to mean that the bidder is fully informed as to the extent and character of the supplies, materials, or equipment required and a representation that the bidder can furnish the supplies, materials, or equipment satisfactorily in complete compliance with the specifications.

No alteration, erasure, or addition is to be made in the typewritten, printed, or electronic matter. Deviations from the specifications must be set forth in space provided in bid for this purpose.

Prices and information should be typewritten for legibility. Illegible or vague bids may be rejected. All signatures must be written. Facsimile, printed, or typewritten signatures are not acceptable.

In all specifications, the words “or equal” are understood after each article giving manufacturer’s name or catalog reference, or on any patented article. CONTRACT

CiTi reserves the right to request a representative sample of the item quoted upon either prior to the award or before shipments are made. If circumstances do not allow for samples, please include information about where the items can be viewed in an industrial or retail setting. If the sample is not in accordance with the requirements of the specifications, CiTi may reject the bid; or, if an award has been made, cancel the contract at the expense of the successful bidder.

AWARD

Awards will be made to the lowest responsible bidder, as will best promote public interest, taking into consideration the reliability of the bidder, the quality of the materials, equipment, or supplies to be furnished, their conformity with the specifications, the purposes for which required, and the terms of delivery.

CiTi reserves the right to reject all bids. Also reserved is the right to reject, for cause, any bid in whole or in part; to waive technical defects; qualifications; irregularities; and omissions if in its judgment the best interests of the district will be served. Also reserved is the right to reject bids and to purchase items on State or County contracts if such items can be obtained on the same terms, conditions, specifications, and at a lower price.

CiTi reserves the right to make awards within sixty (60) days after the date of the bid opening during which period bids may not be withdrawn unless the bidder distinctly states in his bid that acceptance thereof must be made within a shorter specified time.

Where a bidder is requested to submit a bid on a total sum or sums, the right is reserved to award contracts on total sum or sums, whichever is in the best interest of CiTi.

If two or more bidders submit identical bids as to price, the decision of the board to award a contract to one of such identical bidders shall be final. (General Municipal Law, Sec. 103, Sub. 1)

Each bid will be received with the understanding that the acceptance thereof in writing by the board, to furnish any or all of the items described therein shall constitute a contract between the successful bidder and the school district. The contract shall bind the successful bidder on his part to furnish and deliver at the prices and in accordance with the conditions of this bid.

Placing in the mail of a notice of an award or purchase order to a successful bidder, to the address given in his bid, will be considered sufficient notice of acceptance of contract.

If the successful bidder fails to deliver as ordered, or within the time specified, or within reasonable time as interpreted by CiTi, or fails to make replacement of rejected articles, when so requested immediately or as directed by the school district, CiTi or school district may purchase from other sources to take the place of the item rejected or not delivered. CiTi or school district reserves the right to authorize immediate purchase from other sources against rejections on any contract when necessary. On all such purchases, the successful bidder agrees to reimburse CiTi or school district promptly for excess costs occasioned by such purchases. Should the cost be less, the successful bidder shall have no claim to the difference. Such purchases will be deducted from contract quantity.

A contract may be canceled at the successful bidder's expense upon nonperformance of contract.

Cancellation of contract for any reason may result in the removal of the successful bidder's name from the mailing list for future proposals for an indeterminate period.

Damaged Products – During the scheduled delivery times, the vendor agrees to remove all damaged cases that are visible and all products that are found damaged upon opening, or products, which do not meet specifications.

When materials, equipment, or supplies are rejected, they must be removed by the successful bidder from the premises of the school district within ten (10) days of notification. Rejected items left longer than ten (10) days will be regarded as abandoned, and the school district shall have the right to dispose of them as its own property.

Pertinent information: Damaged goods not removed by the vendor, as stated, will be regarded as abandoned and CiTi shall have the right to dispose of them as its own property. This condition addresses the following concerns:

- a. Damaged cases discovered during and after delivery
- b. Products that do not meet specifications
- c. Storage of such items
- d. Ownership of such items

In any of the situations mentioned, the vendor is required to pick up damaged goods at the time of delivery and immediately issue credit. Additionally, if the discrepancies are not noted until after receipt of the goods, the vendor agrees to pick up the items on the next delivery. In either event, if the vendor does not adhere to these terms, CiTi gains title to the property and needs only to maintain a record of the delivery date and the item codes to be entitled to credit.

No items are to be shipped or delivered until receipt of an official purchase order from the school district. Each delivery must show a purchase order number on the outside of the package, unless otherwise directed by the Purchasing Agent.

It is mutually understood and agreed that the successful bidder shall not assign, transfer, convey, sublet, or otherwise dispose of the contract or his right, title, or interest therein, or his power to execute such contract, to any other person, company, or corporation, without the previous written consent of the school district.

Each bid will be received with the understanding that the acceptance thereof in writing by the board, to furnish any or all of the items described therein shall constitute a contract between the successful bidder and the school district. However, CiTi or the School District(s) shall be under no obligation to purchase items until such time that a properly executed Purchase Order has been issued.

Contract shall bind the successful bidder on his part to furnish and deliver at the prices and in accordance with the conditions of his bid. The contract shall bind the school district on its part to order from such a successful bidder and to pay for at the contract prices all items ordered and delivered, within twenty (20) percent over or under the award quantity, unless otherwise specified, or impacted by funding conditions.

GUARANTEES BY THE SUCCESSFUL BIDDER

The successful bidder guarantees:

- a. The product against defective material or workmanship and to repair or replace any damages or marring occasioned in transit.
- b. To furnish adequate protection from damage for all work and to repair damages of any kind for which he or his workers are responsible, to the building or equipment, to his own work, or to the work of other successful bidders.
- c. Carry adequate insurance to protect the school district from loss in case of accident, fire, theft, etc.
- d. That all deliveries will be equal to the accepted bid sample.

Any merchandise provided under the contract, which is or becomes defective during the guarantee period, shall be replaced by the successful bidder free of charge with the specific understanding that all replacements shall carry the same guarantee as the original equipment. The successful bidder shall make any such replacement immediately upon receiving notice from CiTi or school district.

DELIVERY

Delivery must be made in accordance with the instructions to bidders and specifications. If delivery instructions do not appear on order, it will be interpreted to mean prompt delivery. The decision of CiTi or school district as to reasonable compliance with delivery terms shall be final. If a vendor is bidding a special-order item that will extend the delivery time outside of the specified time frame, this must be noted in the bid for consideration during the award process.

CiTi or school district will not accept any deliveries on Saturdays, Sundays or legal holidays, except commodities required for daily consumption or where the delivery is for an emergency.

Items shall be packaged securely and properly for shipment, storage and stocking in shipping containers and according to accepted commercial practice, without extra charge for packing cases, bailing or sacks.

The successful bidder shall be responsible for delivery of items in good condition at the point of destination. He shall file with the carrier all claims for breakage, imperfections, and other losses, which will be deducted from invoices. The receiving school district will note for the benefit of successful bidder when packages are not received in good condition.

Unless otherwise stated in the specifications, all items must be delivered into and placed at a point within the building as directed by the shipping instructions or the agent for the school district. The successful bidder will be required to furnish proof of delivery in every instance.

Unloading and placing of the supplies/equipment is the responsibility of the successful bidder, and the school district accepts no responsibility for unloading and placing of supplies/equipment. Any costs incurred due to the failure of the successful bidder to comply with this requirement will be charged to him. No help for unloading will be provided by CiTi or school district, and suppliers should notify their truckers accordingly.

All deliveries shall be accompanied by delivery tickets or packing slips. The ticket shall contain the following information for each item delivered:

- a. Contract number and/or purchase order number
- b. Name of article
- c. Item number (if applicable)
- d. Quantity
- e. Name of the successful bidder
- f. Cartons shall be labeled with purchase order and contract number, successful bidder's name and general statement of contents. Failure to comply with this condition shall be considered sufficient reason for refusal to accept the goods.

The title shall not pass until items have been delivered and accepted.

PAYMENTS

Payment for the used portion of an inferior delivery will be made by CiTi or school district on an adjusted price basis.

Payment will be made only after the correct presentation of claim forms or invoices as may be required.

Payments of any claim shall not preclude CiTi or a school district from making claim for adjustment on any item found not to have been in accordance with the contract specifications.

The bidder shall state the amount of the discount that will be allowed for payment terms of less than 30 days. In the absence of such a stated discount, payment will be made approximately thirty days (30) after receipt of materials and invoice.

SAVING CLAUSE

The successful bidder shall not be held responsible for any losses resulting if the fulfillment of the terms of the contract shall be delayed or prevented by wars, acts of public enemies, strikes, fires, floods, acts of God or for any other acts not within the control of the successful bidder and which by the exercise of reasonable diligence he is unable to prevent.

CONTRACT TERMINATION

CiTi and/or School Districts shall have the right to terminate or reduce individual orders without further obligation as of the end of the then current fiscal year in the event that CiTi or School District is on a contingent budget, fails to get a budgetary appropriation or experiences approval of funding at a reduced amount for the continuation of individual orders for any subsequent fiscal year. CiTi or School District shall give bidder written notice of termination or the reduction of orders within thirty days (30) of the failure to appropriate the necessary funding. This contract shall be deemed executory only to the extent of the monies appropriated and available for the purpose of the contract, and no liability on account thereof shall be incurred by the purchaser beyond the amount of such monies. It is understood that neither this contract nor any representation by any public employee or officer creates any legal or moral obligation to request, appropriate or make available monies for the purpose of the contract.

CiTi shall have the option, in its sole discretion, to terminate an award agreement, at any time during the term hereof, for convenience and without cause. CiTi shall exercise this option by giving Contractor and/or Awarded Vendor written notice of termination. The notice shall specify the date on which termination shall become effective.

NEW YORK STATE SEXUAL HARASSMENT LAWS:

By submission of this Bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the NYS labor law. A model policy and training has been created by the NYS Department of Labor and can be found here:
<https://www.ny.gov/programs/combating-sexual-harassment-workplace>

NON-DISCRIMINATION REQUIREMENTS

In accordance with Article 5 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional, nondiscrimination provisions, the bidder agrees that neither it nor its subcontractors shall be reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any person who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under the Agreement. CiTi does not discriminate on the basis of sex in the educational program or activities which it operates, and it is required by Title IX of the Educational Amendments of 1972 not to discriminate in such a manner. Oswego County Board of Cooperative Educational Services

Instructions for the Submission of the Vendor Response Sheet For sealed bid submissions AND electronic bid submissions via BidNet Direct

The Center for Instruction, Technology & Innovation (CiTi) uses electronic bid sheets as part of the Cooperative Bid process. These bid forms with the corresponding bid packets are available on the website at: www.CiTiboces.org/cooperativepurchasing

Copies of the specifications may be also obtained by contacting Holly Cheeley, Bid Specialist at the Business Office of the CiTi, 179 County Route 64, Mexico, New York 13114, by calling (315) 963-4414 or emailing CooperativeBids@CiTiboces.org.

The vendor response sheet is an excel document that shall be filled out electronically (in Excel) and submitted on a CD or travel drive (for sealed bid submissions) or uploaded to BidNet Direct (for electronic bid submissions). In addition to the vendor response sheet, each bid submission should include signed hard copies of all the required bid documents and forms. For sealed bid submissions, please include a printed version of the vendor response sheet in a sealed envelope marked with the name of the bidder and the bid number on the front of the envelope. Bid packets and forms must be submitted or uploaded by the date and time specified. Emailed or faxed responses are not acceptable.

NOTE: For sealed bid submission, the CD or Travel Drive must be clearly labeled with the name of the bid, the bid number, and the bidder's name. CDs or Travel Drives not clearly labeled may be rejected.

Completing the Vendor Response Sheet

Bidder must insert the price per unit as specified and the price extension accordingly against each item bid. In the event of a discrepancy between the unit price and the extension, the unit price will govern. Prices shall be extended in decimals, not fractions.

An example Vendor Response Sheet is on the next page. Please refer to this sample sheet when filling out the form. Please do not use the Alternate or Notes area of the bid form to submit bid information. These areas are for BOCES use only.

Bidding an Item as Specified

Unit Cost	Vendor Catalog Number
N12.4	C35

If the bidder is bidding as specified (including manufacturer, color and package size) the bidder should fill in only the Unit Cost and the Vendor Catalog Number fields.

Bidding an Item Other than as Specified

Vendor Catalog Number	Substitute Desc	Subs UM	Subs Unit Cost	Subs Qty
C35	M	C4	N12.4	N11.2

If the vendor is offering a product in which the manufacturer's packaging size is not the same as the packaging requested in the bid specifications, the bidder is required to fill in all substitute fields (subs). The bidder must also adjust the number of packages needed of their product to equal the actual total individual units requested in the specifications. Failure to provide substitute packaging will result in the rejection of the bid item.

Vendor Catalog Number	Substitute Desc	Subs UM	Subs Unit Cost	Subs Qty
C35	M	C4	N12.4	N11.2

If the vendor is offering a substitute item with the same packaging as the items specified, the bidder is required to fill in all substitute fields. The bid software will not recognize the vendor substitute offer if the packaging information is not provided and will not evaluate the bidders pricing for that item. Failure to provide packaging information with a substituted item will result in the rejection of the bid item.

The bidder shall not change or provide the bid sheets in a different format than the one provided. Any change in the electronic format will prevent the CD or travel drive from being read by the bid evaluation software and therefore will result in the rejection of the bidders' submittal.

Failure to adhere to these instructions will constitute grounds for rejection of the bid.

BID PROPOSAL CERTIFICATIONS

I. General Bid or Proposal Certification

The proposer certifies that it will furnish the prices herein quoted, the materials, equipment and/or services as proposed on this bid.

II. Non-Collusive Proposal Certification

By submission of this proposal, the proposer certifies that it is complying with Section 103-d of the General Municipal Law as follows:

Every bid or proposal hereafter made to a political subdivision of the State or any public department, agency or official thereof where competitive bidding is required by statute, rule regulation or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the bidder and affirmed by such bidder as true under the penalties of perjury:

Non-Collusion Bidding Certification

A. By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his knowledge and belief:

(1) The prices in this bid have been arrived independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;

(2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and

(3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

B. A bid shall not be considered for award nor shall any award be made where (A), (1), (2) and (3) above have not been complied with; provided, however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where (A), (1), (2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that a bidder (a) has published price lists, rates or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph A(1).

C. Any bid hereafter made to any political subdivision of the State or any public department, agency or official thereof by a corporate bidder for work or services performed or to be performed or good sold or to be sold, where competitive bidding is required by stature, rule, regulation or local law, and where such bid contains the certification referred to in subdivision A of the section, shall be deemed to have been authorized by the Board of Directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

III. Conflict of Interest Certification

A. Each bidder must state, by signing below, that no officer of any participating school district, or any member of any related Board of Education, including CiTi, or the specific governing body, is, as defined within the General Municipal Law provisions relating to conflicts of interest, directly or indirectly financially involved in this bid proposal.
